

# Technology and the Modern Media Center

**The purpose of this course is to provide prospective and current media specialists opportunities to engage in practical, hands-on applications of technology in the media center. In this course, students will work in a collaborative setting to learn about technologies they can use to operate in a 21st Century Media Center.**

**Who:** UGA Graduate Students in the School Library Media Program and Inservice Media Specialists and Support Personnel

**What:** Attend 5 days of classes the week of July 13-17, M-F, 8:00 AM—5:00 PM

**Credit:** UGA students receive 3 hours of college credit (\$125 resources fee - no text book) Inservice professionals receive 5 PLU credits for \$250 - 1/2 the regular cost!

**Where:** UGA ETC at our **NEW** Gwinnett Center: 2530 Sever Road NW in Lawrenceville
